

Dream Island

By Eileen Price

Dream Island! Have you been there? Would you like to go? It's an amazing place ... and easy to get to. Just let your imagination be your guide!

What will you find as you step onto the beach? Unicorns and flying ponies? Will the air smell like freshly baked cookies? Will the sand feel soft as a bunny's fur? Will the animals talk to you and play games with you?

Imagination is one of our greatest gifts. Did you know that imagination and learning go hand in hand? Scientists, educators, inventors, even artists all use their imaginations to make their mark on the world.... with one simple question! What if?

What if you had your own Dream Island.? Just close your eyes and let your imagination lead the way. *Set sail for Dream Island!*

WARNING: Please imagine responsibly!

Activities:

- Write a story about your dream island. Mail it to your grandparents, aunts and uncles, cousins
- Keep a journal of adventures you would like to have on your dream island. Create stories about your island, adding or subtracting the adventures from before. Date them and see how they change over time.
- Build your dream island using things around the house and yard. You can change it and redesign it anytime you like.

If you would like to share your creation with this author, send it to eileen@wearebrilliance.com.

If you would like a set of the above drawing as a postcard, email me. The drawing was a gift from my oh, so talented son for my birthday in 2017. Best gift ever!!
